

CALL FOR NOMINATIONS

VINFUTURE PRIZE

A NEW SCIENCE AND TECHNOLOGY PRIZE FOR HUMANITY

A Grand Prize of **US\$3 MILLION** is awarded annually to proven breakthrough research and technological innovations that positively improve the quality of human life.

THREE ADDITIONAL SPECIAL VINFUTURE PRIZES VALUED AT US\$500,000 EACH WILL BE AWARDED TO:

Innovators from developing countries

Female innovators

Innovators with outstanding achievements in emerging fields

THE VINFUTURE PRIZE IS UNIQUE AND DIFFERENTIATED BECAUSE IT:

- 1 Is the **FIRST** global science and technology prize from Vietnam and is one of the world's largest annual prizes in science and technology.
- 2 Is open to any discipline of science, engineering, or technology, including multi-disciplinary approaches.
- 3 Honors science and technology work that creates or has a high potential to create meaningful change in the **EVERYDAY LIFE** of millions of people on a **GLOBAL SCALE**.
- 4 Recognizes solutions that address the **REAL-WORLD PROBLEMS** aligning with one or more of the 17 United Nation's Sustainable Development Goals
